THE DAISY HILL FARM
NURSERY

Bainbridge, Ohio

LIQUIDATION SEASON 1938

The Cole Nursery Company having been appointed Liquidators of the Daisy Hill Farms May 1, 1937 by the Union Trust Company, Ohio, are bringing to a close the disposal of this fine nursery stock. The very low prices which have been prevalent in this liquidation have made it possible for us to sell large quantities of these trees rapidly.

PRICES herein are for stock as it stands growing in the nursery rows, unless otherwise noted. We will be glad to furnish prices for digging your order according to your specifications.

TERMS CASH. Prices are net. Estimates given on truck or freight car deliveries.

Prices subject to change without notice.

DAISY HILL FARM NURSERY STOCK BAINBRIDGE, OHIO ROUTE 306

The Cole Nursery Company is completing the liquidation of the Daisy Hill Farm Nursery, Bainbridge, Ohio. The nursery consists of approximately 100 acres containing many thousands of evergreens and deciduous trees.

The Daisy Hill Farm did not operate this as a commercial nursery but to supply trees for their vast real estate developments, therefore these trees were given the finest of care and have developed into fine specimens and cannot be found on the commercial market.

Condition of Stock

Every plant on the nursery has been transplanted since 1930. You will recognize that this nursery stands alone in this respect as few have been able to transplant any specimen material during the past depression. This program alone makes the stock extremely valuable.

CLOSING SALE

In order to complete the closing out of this nursery stock during the Spring season we will be glad to make special quotations to large buyers who can use trees in quantity. These prices will be far below the present day wholesale market prices and especial consideration will be given to those interested in purchasing entire blocks.
